3.1 Term. This MSSA shall commence upon the Effective Date and shall continue unless terminated in accordance with this Section 3.

Customer acknowledges and agrees that Black Duck's access and use of the Application(s) and/or API(s) to provide Services, is not subject to any "Terms of Use" or other terms or conditions that may be posted on, linked or otherwise provided with, the Application(s) and/or API(s). Customer represents and warrants that it is either the owner of the Application(s) and/or API(s) or has the authority to permit Black Duck to provide Services in connection with such Applications. In the event any of the Applications and/or APIs are subject to third-party rights, Customer shall indemnify Black Duck for any claims against Black Duck that arise from Black Duck accessing or using such Applications and/or APIs to provide Services.

5.2 Restrictions. Each party reserves all rights not expressly granted in this MSSA and no other licenses are granted by either party to the other party under this MSSA except as expressly stated herein or in a Purchase Agreement, whether by implication, estoppel or otherwise. Black Duck or its licensors own and retain all right, title and interest (including all Intellectual Property Rights) in and to the Services, Training, Documentation, Training Materials, and associated software, as applicable, including any modifications or improvements thereof. Subject to the terms of this MSSA, Black Duck hereby grants

Customer, at no additional charge, a non-exclusive, fully paid up, perpetual, worldwide license to use the Reports for Customer's internal business purposes.

6. CUSTOMER RESPONSIBILITIES.

6.1 Findings. Customer acknowledges and agrees that (a) as between Customer and Black Duck it is Customer's sole responsibility to update and maintain the Application(s) and/or API(s), including without limitation, fixing any security vulnerabilities; (b) the Reports are not guaranteed to show all vulnerabilities in the Application(s) and/or API(s); (c) it is Customer's sole responsibility to test, vet and confirm that any proposed remedial measures referenced in the Reports or otherwise referenced by Black Duck to Customer are appropriate for Customer's purposes; and (d) Customer's use of the Services does not render or guarantee that the Application(s) and/or API(s) will be invulnerable or free from unauthorized access. Customer further acknowledges and agrees that Customer's use of the Services starts on the effective date of the Purchase Agreement applicable to such Services and the Customer is responsible for providing to Black Duck all configuration data (hostnames, user accounts, API documentation, etc.) needed to perform the Services. Failure to provide configuration data does not release Customer from any responsibility in this MSSA. Customer acknowledges and agrees that Customer's and its users' use of the Services may be dependent upon access to telecommunications and Internet services. Customer shall be solely responsible for acquiring and maintaining all telecommunications and internet services and other hardware and software required for its access and use of the Services, including, without limitation, any and all costs, fees, expenses, and taxes of any kind related to the foregoing. Black Duck shall not be responsible for any loss or corruption of data, lost communications, or any other loss or damage of any kind arising from any such telecommunications and internet services.

6.2 Plan. Customer further acknowledges and agrees that each of the Application(s) and/or API(s) which Customer may request to be tested or evaluated as part of the Services hereunder are fully protected and have a business resumption and contingency plan fit for the Services which ensures the continued provision of the services provided and/or performed by the applicable Application(s) or API(s), and which protects all of the Application(s) and/or API(s) and all associated data files, including, but not limited to, the integrity and confidentiality of such programs and data (collectively a "Plan"). At a minimum, each Plan must provide for Customer's responsibility for backing up and otherwise protecting the programs and data files, protecting equipment, and maintaining disaster recovery and contingency plans; and except in the case of an intentional and malicious act by Black Duck, Customer agrees to hold Black Duck, its affiliates, and their directors, officers, employees, customers and agents harmless from, for and against any and all costs, expenses, claims (third party or otherwise), demands, suit, losses, governmental fines and penalties and/or damages of every kind, nature and description (including reasonable attorneys' fees) which are incurred by, claimed from, or otherwise asserted by or against Customer, arising out of, connected with, related to, caused by, or resulting from any failure of any such Plan. The Customer acknowledges that some Services are inherently dangerous and could cause significant effects or interruptions to the Application(s) and/or API(s) which Customer is requesting Black Duck to test and evaluate as part of the Services.

7. PAYMENT TERMS. All applicable Fees are owed upon the Effective Date of the Purchasing Agreement, are non-refundable upon such date, and are payable in accordance with the payment schedule set out in the Purchasing Agreement. All past due amounts will incur interest at a rate of 1.5% per month or the maximum rate permitted by law, whichever is less. If Customer does not pay an amount by the scheduled due date, Black Duck will have the right to withhold the delivery of the Services or Training and/or terminate the Purchase Agreement and accelerate the due date of all remaining payments. In the foregoing event, Customer will owe the entire outstanding balance as soon as Customer receives written notice from Black Duck that payment is overdue.

8. TAX.

8.1 Indirect Taxes. Black Duck's products, services and/or expenses are subject to transaction taxes in certain jurisdictions. Fees payable to Black Duck are exclusive of any transaction taxes including sales tax, use tax, consumption tax, value-added tax or other similar taxes and charges ("Indirect Taxes") which may be imposed in accordance with applicable laws as a result of the Services, any licenses granted, products sold, or other services provided by Black Duck to Customer. Any Indirect Taxes shall be stated separately on each Black Duck invoice and Customer agrees to bear or reimburse Black Duck for all such transaction taxes. Customer shall provide exemption certificate(s) when claiming sales and use tax exemption in the US. Customer will be responsible for its own taxes, including property taxes on property it owns or leases, income taxes on its business and, any other taxes incurred by Customer in connection with its business.

8.2 Withholding Taxes. If the payments made hereunder are subject to deduction of any withholding taxes required by applicable law and/or income tax treaty then in force between the parties' respective governments, Customer will withhold taxes on payments made to Black Duck under this MSSA, and remit to Black Duck only the net proceeds. Customer will remit any such taxes withheld to the appropriate government authority and will provide Black Duck with properly executed certificates, receipts, or other documentation as evidence of Customer's remittance of such taxes to such government authority within a reasonable period of time, but in any event within sixty (60) days after the payment made to Black Duck from which withholding tax payment was withheld. Customer shall provide reasonable cooperation to Black Duck in obtaining tax exemption for withholding tax under local country procedures and/or attempt to recover any taxes withheld in excess of the amount required by law. If Black Duck is subject to a reduced rate of withholding under an applicable tax treaty, Black Duck shall provide such evidence as required under local tax law to support that Black Duck is eligible for such reduced rate.

9. LIMITATION OF LIABILITY.

9.1 Exclusion of Damages. Notwithstanding anything to the contrary, this MSSA does not limit liability due to death or personal injury caused by gross negligence, or liability due to fraudulent misrepresentations or willful misconduct, or liability arising from breaches of confidentiality obligations or license grants or conditions hereunder. SUBJECT TO THE FOREGOING SENTENCE, IN NO EVENT WILL EITHER PARTY, OR THEIR SUPPLIERS, BE LIABLE TO THE OTHER FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING LOSS OF USE, DATA, BUSINESS OR PROFITS, REVENUE, GOODWILL, ANTICIPATED SAVINGS) OR FOR the cost of procuring substitute SERVICES ARISING OUT OF THIS MSSA, WHETHER BASED UPON CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), FAILURE OF A REMEDY TO ACCOMPLISH ITS PURPOSE, STRICT LIABILITY OR OTHERWISE, AND EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Customer acknowledges that Black Duck would not be able to provide the Services without the limitations set forth in this Section 9. Customer may have other rights under applicable mandatory local laws. This MSSA does not change Customer's rights under applicable mandatory local laws if such laws do not permit it to do so.

9.2 Cap on Liability. IN NO EVENT WILL BLACK DUCK, ITS AFFILIATES OR ITS SUBSIDIARIES, OR ITS SUPPLIERS' AGGREGATE LIABILITY UNDER THIS MSSA, OR RELATING TO ITS SUBJECT MATTER, EXCEED WITH RESPECT TO ANY SERVICE, THE AMOUNT PAID BY CUSTOMER FOR THE SERVICES DURING THE 12 MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO THE CLAIM.

Therefore, the non-breaching party shall be entitled to seek all remedies that may be available under equity, including immediate injunctive relief, in addition to whatever remedies may be available at law.

11. LIMITED WARRANTIES.

11.1 Conformance with Documentation. Black Duck warrants that the Services will substantially conform to the functional specifications set forth in the applicable Documentation. THE FACT THAT AN ORGANIZATION OR WEBSITE IS REFERRED TO IN THE TRAINING OR TRAINING MATERIALS AS A CITATION AND/OR AS A POTENTIAL SOURCE FOR FURTHER INFORMATION DOES NOT MEAN THAT BLACK DUCK ENDORSES THE INFORMATION SUCH ORGANIZATION OR WEBSITE MAY PROVIDE OR THE RECOMMENDATIONS IT MAY MAKE.

12. BLACK DUCK INTELLECTUAL PROPERTY INDEMNIFICATION
