Such grant for the Training Materials is provided solely for Customer's internal use to further expand and improve the knowledge base of its employees who have a need to know such information and expressly prohibits use of the Training Materials for production or commercial purposes. The terms of this MSSA will govern the Purchase Agreement and any Services provided by Synopsys to Customer, whether procured directly from Synopsys or through a Reseller. No other agreements, contracts, or general terms that Customer may have entered into with a Reseller as it relates to the Services and/or Training only shall apply to the Services and Training. Customer may procure additional support as set forth in an applicable Purchase Agreement.

5. PROPRIETARY RIGHTS

5.1 Customer Data, Applications, and APIs. Customer hereby grants Synopsys the right to access, use, assess and test the Customer Data, Application(s), and/or API(s) in connection with providing Services. Customer acknowledges and agrees that Synopsys' access and use of the Customer Data, Application(s) and/or API(s) to provide Services, is not subject to any "Terms of Use" or other terms or conditions that may be posted on, linked or otherwise provided with, the Application(s) and/or API(s). Customer acknowledges and agrees that Customer's Data may be processed by Generative AI Tools if Customer enables such feature. Customer represents and warrants that it is either the owner of the Customer Data, Application(s), and/or API(s) or has the authority to permit Synopsys to provide Services in connection with the same. In the event any of the Customer Data, Applications and/or APIs are subject to third-party rights, Customer shall indemnify Synopsys for any claims against Synopsys that arise from Synopsys accessing or using such Applications, and/or APIs to provide Services.

5.2 Restrictions. Customer shall not: (a) copy or otherwise reproduce, whether in whole or in part, the Services (or software associated therewith), Documentation, Training or Training Materials; (b) modify or create any derivative work of the Services (or software associated therewith), Documentation, Training, or Training Materials; (c) sell, rent, loan, license, sublicense, distribute, assign or otherwise transfer the Services (or software associated therewith), Documentation, Training or Training Materials; (d) cause or permit the disassembly, decompilation or reverse engineering of the Services (or software associated therewith), Documentation, Training or Training Materials, or otherwise attempt to gain access to the source code of the Services or software associated therewith; (e) use the Services to store or transmit malicious code; or (f) cause or permit any third party to do any of the foregoing.

5.3 Reservation of Rights. Each party reserves all rights not expressly granted in this MSSA and no other licenses are granted by either party to the other party under this MSSA except as expressly stated herein or in a Purchase Agreement, whether by implication, estoppel or otherwise. Synopsys or its licensors own and retain all right, title and interest (including all Intellectual Property Rights) in and to the Services, Training, Documentation, Training Materials, and associated software, as applicable, including any modifications or improvements thereof. Subject to the terms of this MSSA, Synopsys hereby grants Customer, at no additional charge, a non-exclusive, fully paid up, perpetual, worldwide license to use the Reports for Customer's internal business purposes.

6. CUSTOMER RESPONSIBILITIES.

6.1 Findings. Customer acknowledges and agrees that (a) as between Customer and Synopsys it is Customer's sole responsibility to update and maintain the Application(s) and/or API(s), including without limitation, fixing any security vulnerabilities; (b) the Reports are not guaranteed to show all vulnerabilities in the Application(s) and/or API(s); (c) it is Customer's sole responsibility to test, vet and confirm that any proposed remedial measures referenced in the Reports or otherwise referenced by Synopsys to Customer are appropriate for Customer's purposes; and (d) Customer's use of the Services does not render or guarantee that the Application(s) and/or API(s) will be invulnerable or free from unauthorized access. Customer further acknowledges and agrees that Customer's use of the Services starts on the effective date of the Purchase Agreement applicable to such Services and the Customer is responsible for providing to Synopsys all configuration data (hostnames, user accounts, API documentation, etc.) needed to perform the Services. Failure to provide configuration data does not release Customer from any responsibility in this MSSA. Customer acknowledges and agrees that Customer's and its users' use of the Services may be dependent upon access to telecommunications and Internet services. Customer shall be solely responsible for acquiring and maintaining all telecommunications and internet services and other hardware and software required for its access and use of the Services, including, without limitation, any and all costs, fees, expenses, and taxes of any kind related to the foregoing. Synopsys shall not be responsible for any loss or corruption of data, lost communications, or any other loss or damage of any kind arising from any such telecommunications and internet services.

6.2 Plan. Customer further acknowledges and agrees that each of the Application(s) and/or API(s) which Customer may request to be tested or evaluated as part of the Services hereunder are fully protected and have a business resumption and contingency plan fit for the Services which ensures the continued provision of the services provided and/or performed by the applicable

Application(s) or API(s), and which protects all of the Application(s) and/or API(s) and all associated data files, including, but not limited to, the integrity and confidentiality of such programs and data (collectively a “**Plan**”). At a minimum, each Plan must provide for Customer’s responsibility for backing up and otherwise protecting the programs and data files, protecting equipment, and maintaining disaster recovery and contingency plans; and except in the case of an intentional and malicious act by Synopsys, Customer agrees to hold Synopsys, its affiliates, and their directors, officers, employees, customers and agents harmless from, for and against any and all costs, expenses, claims (third party or otherwise), demands, suit, losses, governmental fines and penalties and/or damages of every kind, nature and description (including reasonable attorneys’ fees) which are incurred by, claimed from, or otherwise asserted by or against Customer, arising out of, connected with, related to, caused by, or resulting from any failure of any such Plan. The Customer acknowledges that some Services are inherently dangerous and could cause significant effects or interruptions to the Application(s) and/or API(s) which Customer is requesting Synopsys to test and evaluate as part of the Services.

7. PAYMENT TERMS. All applicable Fees are owed upon the Effective Date of the Purchasing Agreement, are non-refundable upon such date, and are payable in accordance with the payment schedule set out in the Purchasing Agreement. All past due amounts will incur interest at a rate of 1.5% per month or the maximum rate permitted by law, whichever is less. If Customer does not pay an amount by the scheduled due date, Synopsys will have the right to withhold the delivery of the Services or Training and/or terminate the Purchase Agreement and accelerate the due date of all remaining payments. In the foregoing event, Customer will owe the entire outstanding balance as soon as Customer receives written notice from Synopsys that payment is overdue.

8. TAX.

8.1 Indirect Taxes. Synopsys' products, services and/or expenses are subject to transaction taxes in certain jurisdictions. Fees payable to Synopsys are exclusive of any transaction taxes including sales tax, use tax, consumption tax, value-added tax or other similar taxes and charges (“**Indirect Taxes**”) which may be imposed in accordance with applicable laws as a result of the Services, any licenses granted, products sold, or other services provided by Synopsys to Customer. Any Indirect Taxes shall be stated separately on each Synopsys invoice and Customer agrees to bear or reimburse Synopsys for all such transaction taxes. Customer shall provide exemption certificate(s) when claiming sales and use tax exemption in the US. Customer will be responsible for its own taxes, including property taxes on property it owns or leases, income taxes on its business and, any other taxes incurred by Customer in connection with its business.

8.2 Withholding Taxes. If the payments made hereunder are subject to deduction of any withholding taxes required by applicable law and/or income tax treaty then in force between the parties’ respective governments, Customer will withhold taxes on payments made to Synopsys under this MSSA, and remit to Synopsys only the net proceeds. Customer will remit any such taxes withheld to the appropriate government authority and will provide Synopsys with properly executed certificates, receipts, or other documentation as evidence of Customer’s remittance of such taxes to such government authority within a reasonable period of time, but in any event within sixty (60) days after the payment made to Synopsys from which withholding tax payment was withheld. Customer shall provide reasonable cooperation to Synopsys in obtaining tax exemption for withholding tax under local country procedures and/or attempt to recover any taxes withheld in excess of the amount required by law. If Synopsys is subject to a reduced rate of withholding under an applicable tax treaty, Synopsys shall provide such evidence as required

under local tax law to support that Synopsys is eligible for such reduced rate.

9. LIMITATION OF LIABILITY.

9.1 Exclusion of Damages. Notwithstanding anything to the contrary, this MSSA does not limit liability due to death or personal injury caused by gross negligence, or liability due to fraudulent misrepresentations or willful misconduct, or liability arising from breaches of confidentiality obligations or license grants or conditions hereunder. SUBJECT TO THE FOREGOING SENTENCE, IN NO EVENT WILL EITHER PARTY, OR THEIR SUPPLIERS, BE LIABLE TO THE OTHER FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING LOSS OF USE, DATA, BUSINESS OR PROFITS, REVENUE, GOODWILL, ANTICIPATED SAVINGS) OR FOR THE COST OF PROCURING SUBSTITUTE SERVICES ARISING OUT OF THIS MSSA, WHETHER BASED UPON CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), FAILURE OF A REMEDY TO ACCOMPLISH ITS PURPOSE, STRICT LIABILITY OR OTHERWISE, AND EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Customer acknowledges that Synopsys would not be able to provide the Services without the limitations set forth in this Section 9. Customer may have other rights under applicable mandatory local laws. This MSSA does not change Customer's rights under applicable mandatory local laws if such laws do not permit it to do so.

9.2 Cap on Liability. IN NO EVENT WILL SYNOPSYS, ITS AFFILIATES OR ITS SUBSIDIARIES, OR ITS SUPPLIERS' AGGREGATE LIABILITY UNDER THIS MSSA, OR RELATING TO ITS SUBJECT MATTER, EXCEED WITH RESPECT TO ANY SERVICE, THE AMOUNT PAID BY CUSTOMER FOR THE SERVICES DURING THE 12 MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO THE CLAIM.

The existence of this MSSA and the nature of the business relationship between the parties are not considered Confidential Information.

10.3 Use and Disclosure Restrictions. Receiving Party will not use the Disclosing Party's Confidential Information except as necessary to exercise the rights granted under this MSSA or to evaluate opportunities to license additional Services pursuant to this MSSA, and will not disclose such Confidential Information to any person or entity except to its Authorized Users. Without limiting the generality of the foregoing, Customer agrees that it will not post the Services, the Documentation, or any screenshots of the Services or results generated by the Services, on any network that is accessible by anyone other than the Authorized Users. The foregoing obligations will not restrict either party from disclosing Confidential Information of the other party (a) pursuant to the order or requirement of a court, administrative agency, or other governmental body, provided that the party required to make such a disclosure gives reasonable notice to the other party to contest such order or requirement; and (b) on a confidential basis to its legal or financial advisors that need to know in order to provide business advice to such party. As used above, "**Authorized User**" means a party's and its affiliate's employees and authorized contractors: (x) whose duties require access to or use of the Services or Confidential Information for the benefit of that party; and (y) whose legal obligations to protect confidential and proprietary information require protection of the Services and Confidential Information to at least the same extent as set out in this MSSA.

10.4 Right of Equitable Relief. The parties acknowledge that violations of the obligations of this MSSA may cause the non-breaching party irreparable injury for which an adequate remedy at law may not be available. Therefore, the non-breaching party shall be entitled to seek all remedies that may be available under equity, including immediate injunctive relief, in addition to whatever remedies may be available at law.

11. LIMITED WARRANTIES.

11.1 Conformance with Documentation. Synopsys warrants that the Services will substantially conform to the functional specifications set forth in the applicable Documentation. Customer will provide prompt written notice of any non-conformity and provide Synopsys a reasonable opportunity, not to exceed thirty (30) days, to remedy such non-conformity. PURPOSE AND ANY CONDITION OR WARRANTY ARISING FROM COURSE OF PERFORMANCE, DEALING OR USAGE OF TRADE. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF CERTAIN WARRANTIES IN CERTAIN CIRCUMSTANCES. ACCORDINGLY, SOME OF THE LIMITATIONS SET FORTH ABOVE MAY NOT APPLY. THE FACT THAT AN ORGANIZATION OR WEBSITE IS REFERRED TO IN THE TRAINING OR TRAINING MATERIALS AS A CITATION AND/OR AS A POTENTIAL SOURCE FOR FURTHER INFORMATION DOES NOT MEAN THAT SYNOPSIS ENDORSES THE INFORMATION SUCH ORGANIZATION OR WEBSITE MAY PROVIDE OR THE RECOMMENDATIONS IT MAY MAKE.

12. SYNOPSIS INTELLECTUAL PROPERTY INDEMNIFICATION

12.1 Infringement Indemnity. Synopsis will defend or settle any action brought against Customer by paying all costs, damages and reasonable attorneys' fees that are finally awarded against Customer to the extent those amounts are based upon a third party claim that the Services, as provided by Synopsis to Customer under this MSSA and used in accordance with this MSSA, directly infringes any U.S. patent, or copyright or misappropriates any U.S. trade secret. 12.2 Exclusions. Notwithstanding the terms of Section 12.1, Synopsis will have no liability for any infringement or misappropriation action or claim of any kind to the extent that it results from: (a) modifications to the Services made by a party other than Synopsis, if the infringement or misappropriation would not have occurred but for such modifications; (b) the combination, operation or use of the Services with equipment, devices, software, systems or data not supplied by Synopsis, if the infringement or misappropriation would not have occurred but for such combination, operation or use; (c) Generative AI Tools, (d) Customer Data, (e) Customer's failure to use the updated or modified Services provided by Synopsis to avoid infringement or misappropriation; (f) Synopsis' compliance with any designs or specifications provided by Customer; and/or (g) Customer's use of the Services other than as authorized by this MSSA.

12.3 Sole Remedy. THE PROVISIONS OF THIS SECTION 12 SET FORTH SYNOPSIS' SOLE AND EXCLUSIVE OBLIGATIONS, AND CUSTOMER'S SOLE AND EXCLUSIVE REMEDIES, WITH RESPECT TO INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL PROPERTY RIGHTS OF ANY KIND. EXCEPT AS SET FORTH ABOVE, SYNOPSIS AND ITS

Customer's only rights in the Services and the Documentation are the rights expressly granted in this MSSA; all other rights are reserved by Synopsys. Synopsys's licensors are third-party beneficiaries of, and thus may enforce against Customer, the license restrictions and confidentiality obligations in this MSSA with respect to their intellectual property and proprietary information. Customer hereby unconditionally and irrevocably grants to Synopsys an assignment of all right, title, and interest in and to the Resultant Data, including all Intellectual Property Rights relating thereto.

"**Feedback**" means any ideas or suggestions Customer voluntarily provide to Synopsys (in any manner, whether in writing or orally or otherwise) regarding the Services, including possible enhancements or improvements.

14.3 Entire Agreement; Modification; Interpretation. This MSSA, including any addenda hereto and all accepted Purchasing Agreements referencing this MSSA, constitute the complete and exclusive understanding and agreement between the parties regarding its subject matter and supersedes all prior or contemporaneous agreements or understandings, written or

oral, relating to its subject matter. Customer agrees that additional or different terms on Customer's purchase order shall not apply. Failure to enforce any provision of this MSSA will not constitute a waiver of future enforcement of that or any other provision. Any waiver, modification or amendment of this MSSA will be effective only if in writing and signed by Customer and an authorized representative of Synopsys. If for any reason a court of competent jurisdiction finds any provision of this MSSA invalid or unenforceable, that provision will be enforced to the maximum extent permissible and the other provisions of this MSSA will remain in full force and effect. The word "including" when used in this MSSA will mean including without limitation of the generality of any description, definition, term or phrase preceding that word.

14.4 Export. Customer agrees that Synopsys shall not be required to complete delivery of export-controlled Services or technology unless and until all required export licenses have been obtained.

14.5 Independent Contractors. The parties are independent contractors, and neither party will have the power to bind the other or to incur obligations on the other's behalf without such other party's prior written consent.

14.6 Governing Law. This MSSA will be governed by and construed in accordance with the laws of Ireland excluding that body of laws known as conflicts of law. The parties expressly agree that the United Nations Convention on Contracts for the International Sale of Goods will not apply. Any legal action or proceeding arising under this MSSA will be brought exclusively in the courts located in Ireland and the parties irrevocably consent to the personal jurisdiction and venue therein. Customer agrees that the Uniform Computer Information Transactions Act or any version thereof, adopted by any state, in any form ("UCITA"), shall not apply to this MSSA. To the extent that UCITA is applicable, the parties agree to opt out of the applicability of UCITA pursuant to the opt-out provision(s) contained therein.

14.7 Nonexclusive Remedy. Except as expressly set forth in this MSSA, the exercise by either party of any of its remedies under this MSSA will be without prejudice to its other remedies under this MSSA or otherwise.

14.12 Counterparts and Execution. This MSSA may be executed in counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument. An originally executed version of this MSSA or any addenda, attachment and subsequent Purchasing Agreement (including, where applicable, a Customer purchase order issued in response to a Purchasing Agreement where such issuance constitutes execution), that is delivered by one party to the other party, as evidence of signature, by facsimile, or by electronic mail after having been scanned as an image file (including, Adobe PDF, TIF, etc.) shall, for all purposes hereof, be deemed an original signature and neither party shall have the right to object to the manner in which the MSSA was executed as a defense to the enforcement of the MSSA.

If Customer is a branch or agency of the United States Government, or is acquiring access to any Services on behalf of any branch or agency of the United States Government, then the following provision applies. The Services and Documentation are comprised of "commercial computer software" and "commercial computer software documentation," as such terms are used in 48 C.F.R. 12.212, and are provided to the Government (a) for acquisition by or on behalf of civilian agencies, consistent with the policy set forth in 48 C.F.R. 12.212; or (b) for acquisition by or on behalf of units of the Department of Defense, consistent with the policies set forth in 48 C.F.R. 227.7202-1 and 227.7202-3.
